Seller Login

The screenshot shows a web application interface with a blue header containing the title "Online Modeling of Proactive Moderation System for Auction Fraud Detection" and a green navigation bar with a "Home" link. The main content area is yellow and features a "Seller Login" section with a key icon. It includes two input fields: "User ID" with the value "s15" and "Password" with masked characters "•••". Below these are "clear" and "submit" buttons. To the right, a sidebar contains a "Registration" link with a notepad icon, and a "Login" section with a group of people icon, listing links for "Seller", "User", and "Admin". The footer is dark gray with the text "WWW.online.com".

Fig.7.3 Screen for Seller Login

User Login

The screenshot shows a web application interface similar to the Seller Login screen. The header and navigation bar are identical. The main content area is yellow and features a "User Login" section with a key icon. It includes two input fields: "User ID" with the value "u15" and "Password" with masked characters "•••". Below these are "clear" and "submit" buttons. To the right, a sidebar contains a "Registration" link with a notepad icon, and a "Login" section with a group of people icon, listing links for "Seller", "User", and "Admin". The footer is dark gray with the text "WWW.online.com".
